WHO'S YOUR CADDIE?

A LETTER FROM THE FOUNDER

*“The first year
only happens once.”*

OSHAMAR PLANES

I KNOW FIRSTHAND WHAT IT MEANS TO BE A CADDIE.

Being a caddie taught me that the game is about more than golf. It's about relationships, trust, showing up, and helping create an experience that people remember.

For generations, caddies have been the backbone of the game, often without the recognition they deserve.

THAT'S WHY WE CREATED WHO'S YOUR CADDIE?

On October 19th, we're bringing golfers, caddies, clubs, businesses, and our community together at Weequahic Golf Course for one simple purpose:
to say thank you.

We're starting something we hope becomes a tradition, while supporting youth development through First Tee and laying the foundation for a future caddie scholarship.

OUR MISSION

WHO'S YOUR CADDIE?

HONOR THE PEOPLE BEHIND THE GAME.

Who's Your Caddie? was created to celebrate the men and women who are the backbone of the game. Caddies do more than carry the bag. They build relationships, share their knowledge, and help create the experiences that make golf special.

This tournament brings golfers, caddies, clubs, businesses, and community together to give back to organizations that are creating opportunity, education and access through golf.

BUILDING GAME CHANGERS.

Supporting youth development through First Tee and laying the foundation for a future of opportunity on and off the course.

INVESTING IN TOMORROW.

Providing scholarships and educational opportunities for New Jersey caddies and their families, helping to create brighter futures through the game of golf.

APPRECIATION. OPPORTUNITY. LEGACY.

CHOOSE HOW YOU SHOW UP.

Every partnership helps us celebrate caddies, support the next generation and build a tradition with lasting impact.
