CLUBHOUSE/LOCKER/PRACTICE FACILITIES

Players MUST use the locker room for change of shoes and clothing. Club facilities will open at 6:30 a.m. The range fee and cart fee has been included in the team's entry fee.

SCORECARDS & SCORING RULES

Official Scorecards will be distributed by the NJ GOLF starter on the starting tee. When recording scores, refer to Rule 23.2b which states: **Side's Responsibility: Each score on the scorecard must be identified as the score of the individual partner who made it; if this is not done, the side is DISQUALIFIED.** Upon completing the round, teams must report directly to the scoring table where scores shall be checked for each hole and doubtful points settled with the committee. Both teams MUST sign each scorecard. We ask for the cooperation of each group to do "live" mobile scoring as well. The starter will provide information on how to do this and only one player or caddie for the group needs to handle the mobile scoring.

PACE OF PLAY

The NJ GOLF's Pace of play system will be in effect; [see separate notice](#). Timing guidelines (per hole) will be indicated on each player's official scorecard. Pace of play will be monitored and penalized if necessary. Be advised that pace of play guidelines in Four-Ball, Stroke Play are based upon the expectation that all players will play ready golf, and that ONLY the low scorer, per side, will hole-out. A player whose score cannot count toward the team's total is expected to pick-up in this scenario.

FORMAT & SCHEDULE

The format is Four-Ball, Stroke Play- Gross and Net Scoring (Better ball of partners). Each player will receive 85% of his Course Handicap according to the Course and Slope Rating; Handicap strokes will be indicated by dots on the mobile scorecard. Prizes will be awarded in both the gross and net divisions. In the event of a tie for the championship (gross), a hole-by-hole playoff will begin immediately upon the conclusion of play. All other ties will be broken through the USGA Method for Matching of Scorecards.

TRANSPORTATION / CADDIES

Motorized transportation is REQUIRED in this championship. Each team's cart fee has been paid for within their entry fee. A team may also bring their own forecaddie or hire a club forecaddie. Club forecaddie rate is \$60 (includes tip) per player. Players must reserve a local caddie in advance by calling the club or emailing Mark DeLaura mdelaura@crestmontcountryclub.com. The NJ GOLF "one seat" cart policy will be in effect for caddies.

FOOD & BEVERAGE

Lunch will be available from 11:00am – 2:30pm and is included in the entry fee. All players will receive a lunch ticket at the scorers table or registration table when they check in. Teams playing in the morning will eat after their round, teams playing in the afternoon MUST eat before their round. Drinking water will be available on the golf course.

INCLEMENT WEATHER

New Jersey Golf will exhaust every effort to conduct the competition on its scheduled date. Play would only be disrupted in the case of lightning or unplayable course conditions.
