FORMAT & INSTRUCTIONS FOR PLAY

The championship is 18-Holes, Stroke Play- gross and net scoring. The champions will be the team with the lowest 18-Hole gross score. In the event of a tie for the championship, a hole-by-hole playoff will be held immediately upon the conclusion of play to determine a champion. **Handicap Indexes as of 8/11/2026 apply.**

PINEHURST FORMAT - INSTRUCTIONS: Each player will hit his/her tee shot, then switch and play their partner's ball for their second shot. After each team member has played their partner's ball, one ball is chosen to be played alternately through the hole. The ball NOT chosen is picked up and taken out of play.

HANDICAP ALLOWANCE: The player with the lower course handicap will receive 60%; the player with the higher course handicap will receive 40%. These are added together to total a team handicap. One score, per team, per hole will be counted.

SENIOR FLIGHT: Teams which consist of players male golfers age 55 and above and female golfers 50 and above as of the event date will be automatically entered in an additional senior flight. Eligible teams must ensure before play that they are included in this flight. Please contact NJ GOLF if your team meets this guideline to be sure you are entered into the senior flight competition.

PRIZES: Prizes will be awarded to the low gross and runner up, the low net and runner up, and the senior low gross. Ties (other than for the championship) will be broken via the USGA method for matching of cards.

SCORECARDS & SCORING

Official Scorecards will be distributed by the NJ GOLF starter on the starting tee. Upon completing the round, players must report directly to the scoring table where scores shall be checked for each hole and doubtful points settled with the committee. Both the Player and Marker MUST sign the scorecard. The starter will give each group their GGID to allow them to enter hole-by-hole scores for "live scoring" and check the leaderboard through the Golf Genius app.
