EQUIPMENT

1. **The USGA Groove and Punch Mark Specifications (effective Jan. 1, 2010) are in effect for this competition.**

** New Jersey Golf strongly suggests that all players verify the conformance of their clubs well in advance of the competition. It is the player’s responsibility, not NJ GOLF’s responsibility to ensure that all clubs conform. Waiting until the day of the competition is the fault of the player. The Committee is under no obligation to test the club, nor will testing mechanism(s) be available at NJ GOLF competitions. The competitor may play. However, if it is later determined that the club is non-conforming, including after the competition has closed, the player will be disqualified.**
